### Côte de Beaune Villages 2013

---

**Grape Variety :** Pinot Noir

**Soil :** Limestone with clay

**Site :** Selected plots of vineyards in Côte de Beaune villages, mostly Pernand-Vergelesses, Auxey-Duressees and Ladoix.

**The Vintage 2013 :** After a very cold winter and a cool and humid spring, the weather became really fine and warm end of July. The sunny weather and the warm temperatures engendered a slow ripening of the grapes. The harvest started mid September under a bright sunshine. The combination of all those climatic factors and meticulous vinifications have produced wines with very pure aromas and a crunchy texture.

**Tasting :** Bright ruby. Intense aromas of ripe red fruit (plum) mixed with spicy nuances. Well-balanced and well-structured. Very pure aromas. Elegant tannins. Persistent finish.

**Food pairing :** To be enjoyed with warm starters, white meat, matured cheeses.
