Bourgogne

Le Bourgogne Pinot Noir 2020

Grape Variety : Pinot Noir

Soil : Clay-limestone

Site : Grapes are sourced from select vineyards in South Côte de Beaune and in Côte Chalonnaise.

The Vintage 2020 : After a mild winter, spring settled down in March with very warm temperatures. May and June were warm and dry. Summer was warm and dry as well and punctuated by several heat waves and a few thunderstorms episodes which brought some water. All the plots with a soil combination of clay were less sensitive to the hydric stress and lack of water. The harvest started around August 20 in Burgundy, an historically precocious date for the region. At Chanson, they started on August 23 under a bright sunshine. The red wines are crunchy, energetic, lively with a pure fruit.

Tasting : Bright red colour. Scents of violet mixed with crunchy aromas of ripe cherries and strawberries on a hint of spice. Complex and full of energy. Tight texture on a very pure fruit. Long aftertaste with spicy nuances.

Food pairing : Super classic Burgundy, ideal with braised and roasted meats, as well as meat-sauced pastas and regional cheeses (Comté, Epoisses, Citeaux)
