Santenay

Santenay Beauregard

1^{er} Cru
2020

Grape Variety : Pinot Noir

Soil : Clay and limestone with lots of stones

Site : Chanson owns 3 ha in this climat located in the Premiers Crus area of Santenay, small village in the South of the Côte de Beaune. The plot is at the top of the hill and is positioned on two levels. The large proportion of stones gives to the wine a very special minerality which emphasizes the typicality of the Pinot Noir.

The Vintage 2020 : After a very mild winter, spring arrived with warm temperatures in March which engendered a very quick and sustained growth of the vines. After a very short frost episode early May with no consequence in the vineyards, a mild weather with some rains settled down until end of June. Summer was punctuated in July by several and quite long heat waves. Vineyards with a clay soil were less affected by the low level of rainfalls during spring and by the summer heat. The harvest in Burgundy started around August 20, which was historically early for the region. At Chanson, they started on August 24 under a bright sunshine. 2020 red wines are generous, concentrated and beautifully terroir-driven.

Tasting : Bright ruby colour. Intense aromas of red berries (griotte cherry) mixed with spices on a hint of vanilla. Well-balanced and energetic. Elegant tannins. Long and refreshing aftertaste. Score : 16/20 Jancis Robinson.

Food pairing : To be enjoyed with roast meat or stew dishes as well as moderately nature cheeses.
