Pommard

Pommard 2020

Grape Variety : Pinot Noir

Soil : Chalk mixed with silt and clay

Site : On the slope of the village of Pommard, one of the most famous growth for Pinot Noir in the Côte de Beaune area.

The Vintage 2020 : After a very mild winter, spring arrived with warm temperatures in March which engendered a very quick and sustained growth of the vines. After a very short frost episode early May with no consequence in the vineyards, a mild weather with some rains settled down until end of June. Summer was punctuated in July by several and quite long heat waves. Vineyards with a clay soil were less affected by the low level of rainfalls during spring and by the summer heat. The harvest in Burgundy started around August 20, which was historically early for the region. At Chanson, they started on August 24 under a bright sunshine. 2020 red wines are generous, concentrated and beautifully terroir-driven.

Tasting : Deep ruby colour. Intense aromas of ripe red fruit (cherry and raspberry) mixed with liquorice and spices. Complex and generous. Crunchy texture. Beautiful fruit expression. Long and spicy aftertaste.

Food pairing : To be enjoyed with red or white meat , grilled or marinated, games
