Chablis

Chablis Les Clos Grand Cru 2003

Grape Variety : Chardonnay

Soil : Limestone

Site : "Les Clos" is one of the most famous Grands Crus of Chablis. The area of production covers 24.75 ha.

The Vintage 2003 : An exceptionally early harvest end of August due to an outstanding hot summer. Grapes were extremely well mature with high concentration.

Tasting : Pale gold colour. Floral fragrances (hawthorn) mixed with ripe pale fleshed fruit aromas and enhanced by a beautiful minerality. Elegant, generous and well-structured. Good aromatic complexity and good minerality. Very long finish.

Food pairing : Foie gras, shellfish, fish, white meat as well as some goat cheeses.
