“ This too evidence a lovely freshness to the ripe plum, cassis and violet-scented nose. The succulent rich and punchy medium weight flavors once again possess fine volume before culminating in a rustic and slightly chewy finish as the tannins are quite firm though not hard. This will need at least a few years. 2022+”

“This house from Beaune, based in one of the Bastions of the rampart has developed a true expertise in Marsannay. It clearly reveals the high quality level of the vineyards and the precision displayed by Jean Pierre Confuron's vinifications. A racy Marsannay elegant and easy to understand even if the price is quite high in the segment.” Karine Valentin - Cuisine et vins de France – Feb. Mar. 2016

## 2012 VINTAGE

“Pinot Noir from Côte de Nuits, aged in oak barrel, intense aromas of dark fruits, blackcurrant, blueberry, burlat cherry with soft spiced flavours. Generous,

complex and subtle. With roasted poultry or a regional cheese such as Epoisse or Langres. Around 2020." Direct Matin – Mar. 4, 2015 - Alain Marty

"Chanson, established in Burgundy for more than 250 years and known for its 45 ha vineyard classified in Premiers Crus and Grands Crus, spread over the most beautiful terroirs of Côte de Beaune and also widely presents over the great appellations of Côte de Nuits as the septentrional one: Marsannay. Chanson looked for the most typical red terroirs with varied soils from middle Jurassic and composed of crinoidal limestone. The structure is particularly adapted to Pinot Noir. Among the vines, mainly selected in Marsannay, we can find localities such as "Es chezot', 'recilles', 'les étales', 'le village', 'En la verde'. Chanson implemented all its expert assessment to give back the subtle combination of nobility and rusticity of the Marsannay appellation. A very special care has been taken towards vinification: careful selection of grapes, long and accurate maceration, maturing in oak barrels during 15 months, with a 30% share of new barrels. Despite the disrupted weather in 2012 which drove mad winemakers, and historical low yields in all appellations in Burgundy, the know-how of Chanson allowed restoring the specific features and the originality of this terroir. The Marsannay from Chanson, with a beautiful and intense grenat color, opens up with intense black fruit aromas (blueberry, blackcurrant, burlat cherry). Crispiness and fruit end up in a subtle and enhanced combination with a beautiful generosity. The tannin structure proves to be nicely coated on a long and complex palate. " La Revue Viticole Internationale – Jan. Feb. 2015

"A juicy fruit goes then along with Pinot Noir, shaped with talent upon the terroirs and the appellations. For instance, this straight Marsannay, selected from the best plots of the appellation. An attentive vinification and a long and meticulous maturing allowed to obtain the best of a capricious vintage which frightened winemakers. Its grenat color with purple tints will seduce you. Richly fruited, typical of the variety, the nose "pinote" on demand, offering an open and refined set where the tart red fruit jelly meets harmoniously vanilla. Supple on the attack, the palate proves to be well-structured. The greed of fruit goes along with a good structure: a "four seasons" wine. Elegance with firmness, this gives the axis. Its fruit and its flesh will unite around a roast duck with cherries. A beautiful juicy piece of beef (such as a rib steak with a wine sauce flavoured) will join its texture. Deer meat with blackcurrant or a stewed ham. To serve around 17°C, no hurry, keep it safe 3-4 years more." Thuriès Gastronomie Magazine – Jul. Aug. 2014

"Nice expression of a very young Pinot Noir, proudly displaying with no restraint ripe red fruits aromas, flirting with wild fragrances, noble and liquoriced plants. The palate is round and juicy, missing an ounce of power though. To taste around 12-13° to let the alcohol come up and enjoy its bright fruit." Zepros Metiers Restauration – Jul – Aug. 2014

"A high quality wine. Chanson based in Burgundy for over 250 years with its famous 45 hectares domaine of Premiers Crus and Grands Crus located in some of the best climats in the Côte de Beaune is also present in the major appellations of the Côte de Nuits and especially in Marsannay, the appellation located at the northern

extremity of Côte de Nuits. Beautiful intense garnet color, intense aromas of black fruits (blueberry, cassis, burlat). On the palate, crisp and fruity, with a beautiful fruit combination, generous. Mouth coating tannins which gives way to a long and complex aftertaste." Centre Presse – Apr. 23, 2014

"Established since more two century in Burgundy, Chanson is now owned by Champagne Bollinger. Made from areas with various soil structures of Marsannay, this wine is complex, aged partially in new oak afer a long maceration. Deep colour, an array of aromas : blackcurrant, blueberry, cherry. Crunchy with soft tannins, a generous pinot with a long finish." Homme Deluxe – Jul. Sep. 2014

"A touch of oak, yet a ripe grape. This wine is the true example of full bunch fermentation true to the Chanson style. Very refreshing finish." Success, La Revue du Vin de France – Jun. 2013

## 2011 VINTAGE

"Marsannay of this Beaune's famous wine house was partially aged in oak barrels is fresh and lovely, nose of black currant, raspberrry and cherry. The fruit is still present in the mouth, while the wood appears only in the final through some roasted notes. Already silky tannins will lead this bottle matur in 2014 with a noisette de chevreuil or a creamy brie for example. we can keep it for two or three years." Le Guide Hachette des Vins - 2014

"A dark-hued wine, it's richly fruity with spice and wood flavors. It is ripe, full in the mouth, offering solid tannins as well as attractice acidity. It's suited for medium-term aging, so drink from 2016."

"Wine aged partially in casks by this famous winery based in Beaune. This Marsannay is fresh and lovely with aromas of blackcurrant raspberrry and cherry. The fruit is still very present on the palate and the oak touch stays in the background showing off toasty notes. The tannins are already showing a silky character which makes this wine ready to drink in 2014 especially with a "noisette de chevreuil" or a creamy brie for example. Otherwise you can keep it for 2 or 3 years."
