Chablis

Chablis 2018

Grape Variety : Chardonnay

Soil : Limestone

Site : Plot-based selection on hills ideally located south of the village of Chablis.

The Vintage 2018 : After a rainy winter, spring started with a very warm episode in April followed by very cold temperatures in May. The warm weather settled down early June. The summer was punctuated by several heat waves which engendered a lack of water, compensated by the presence of clay in many plots. The harvest started end of August, in outstanding conditions with grapes fully ripe and healthy. The white wines are precise with a beautiful fruit combination.

Tasting : Pale gold colour. Delicate floral fragrances mixed with citrus fruit and exotic fruit on a subtle minerality. Precise and tense. Beautiful fruit combination. Refreshing aftertaste.

Food pairing : Pâté, lobsters and poultry as well as some goat cheeses.
