Bourgogne

Le Bourgogne Chardonnay 2023

Grape Variety : Chardonnay

Soil : Clay and limestone

Site : Chablisien and Côte d'Or

The Vintage 2023 : After a mild winter, beginning of spring was marked by unstable weather conditions, which fortunately enough settled down end May with warm and sometimes very warm temperatures. This situation encouraged a rapid blossoming in excellent conditions. Spring ended with a water deficit which was never compensated. July and August were marked by a succession of very hot temperatures and storms. End of August, a very hot weather settled down with temperatures around 35°C which enabled the grapes to perfect their ripeness . At Chanson, the harvest started on September 5 and ended on September 16. The white wines are very expressive with beautiful aromas of pale fleshed fruit and an outstanding structure.

Tasting : Pale gold colour. Delicate menthol notes mixed with citrus fruit aromas. Lively attack, a lot of energy. Well-shaped structure and well-crafted acidity. Refreshing aftertaste.

Food pairing : Pâté, fish, charcuterie, and many goat cheeses.
